Subject

Adverting to the Chief Commissioner's Secretary's No. 5896-Rev. 5. dated 20th October 1875 stating that no exception should be allowed in the collection of cart tax on the ground that the carts belong to Mutts, except where the carts are used for trade purposes, I have the honor to state that a report of the doings of Mutt Chiefs non-liability to payment by owners of carts

As cart tax is an item of Mutt Revenue & the Jagheer I think the owners of carts belonging to the Jagheer may be exempted from payment of the tax, but it should be ascertained how many carts there are belonging to the Mutt which are entitled to exemption & I think without the tax cart cannot be distinguished from the carts belonging to the Mutt & other persons. I cannot say how many carts actually belong to the Mutt

I cannot say whether the Mutt is entitled to remission of the tax or not. I will enquire & report. No. he is not

within the Yazoo, through that
part of Public Roads

It appears to me that since the
case is regarded as an item of Works
Expenditure which is assigned to the Yazoo
Engineers District it would be best
over to the District Authorities on the
matter are likewise solicited —

Yours truly
